

Infantry operated ESADs

Bron Technologies has revolutionary patented solutions for infantry hand-emplaced fuzes, all based on inline approved LEEFI detonators.

Chameleon

Wireless disposable fuzing for infantry, based on LEEFI detonator. Up to 3 fuzes simultaneously in one operation.

Allows safe return to the system.

- Combat proved
- Not ITAR regulated

Specifications

	Remote Control	Fuze
Dimensions	30X70X150mm	40X70X130mm
Weight	300 gr	300 gr
Material	Aluminum 6061-T6 Alloy	Polymer

Meets all standards & guidelines

MIL-STD-810

EMC per MIL-STD-461

MIL-STD-331 (ESD, 25KV)

ITOP-4-2-602

MIL-DTL-23659 inline approved

MIL-STD-1911

Designed to meet the future

JOTP-057
